

HIGHLAND PONY SOCIETY PERFORMANCE AWARDS RESULTS FOR ENGLAND & WALES

Hopefully our Performance Awards lunch will go from strength to strength each year. It seems very strange not to have the hustle and bustle of meetings and discussions before the awards. I also need to get my head round organising things at the beginning and end of each year! I was doing quite well until I realised I hadn't ordered the rosettes - Hazelden Rosettes were amazing and got things sorted for me - phew! I also hope that competitors have re-organised their competitive year without too many problems.

For 2010/2011 I sold 23 cards and had 18 returned. Again there was an amazing mix of activities in which ponies and riders were involved including barrel racing, western style! All cards that are returned receive a rosette, the first 10 being places and the rest receive a lovely special rosette, juniors also receive their own placed rosette. The following ponies are not in the first 10 but still receive a rosette.
