Application for Inspection for the Registration of Appendix A Mares & Geldings

Information on Appendix Registers:

On 1 January 2020, the Appendix 'A' register was re-opened having been closed for 17 years. The arrangements for appropriate Appendix registrations are as follows:

Appendix A: Following inspection and approval by inspectors/inspector nominated by the Highland Pony Council, females and geldings of suitable Highland pony type may be registered as Appendix A ponies. The cost of the inspection will be borne by the Applicant.

NB Appendix 'B' is for female and gelded progeny, born after 1st January 2020, of Appendix A mares and a fully registered and licensed Highland stallion.

Appendix 'C' is for female and gelded progeny of Appendix B mares and a fully registered and licensed Highland stallion. Female and gelded progeny of Appendix C mares and fully registered and licensed Highland stallions are eligible for registration in the full Stud book.

Owners should complete and sign this form and submit it to the Society. Council will appoint an inspector who will arrange a visit. Subsequently, the Certificate of Inspection will be completed and should accompany the registration application. There is no additional fee from the Highland Pony Society and breeders should make their own arrangements with the inspector.

Name:

Sex: Colour:

Please note any markings (not whorls) including white, eel stripe, zebra markings, hoof colour etc
