

**What are the Performance Award Schemes?**

There are two Performance Awards schemes for Highland pony owners; one for Scotland and another for England & Wales. Cards, which can be bought from the HPS office or online shop, are great value at just £10 and everyone taking part is rewarded. Not only is it a super way to keep track of your results throughout the year, it is a great opportunity to compare your achievements from one year to the next.

The winner of each Scheme is awarded a prestigious Highland Pony Society Bronze Medal - the only medals awarded outwith the show ring! There are special awards for every discipline as well as Junior, Senior and newcomer awards and even the most improved. The presentations following the end of the year result in a super friendly day out and a chance to meet up with other likeminded Highland pony owners.
