

The Highland Pony Society

APPLICATION FOR PASSPORT

Please enter names and numbers carefully and neatly in BLOCK CAPITALS and complete the outline diagram and narrative describing the whorls on the reverse, which will be photocopied and inserted in the passport. Animals must be microchipped if the animal has never had a passport and the bar code label affixed on the reverse side.

NB: the veterinary surgeon inserting the transponder (microchip) must complete the relevant sections on the right of the reverse side.
