APPLICATION FOR REGISTRATION AND PASSPORT

Please enter names and numbers carefully and neatly in BLOCK CAPITALS and complete the outline diagram and narrative describing the whorls on the reverse, which will be scanned and included in the passport. Animals must be microchipped and the bar code label affixed on the reverse side.

Only the registered keeper of the dam at the time of foaling may register a foal. Names of pure-bred ponies must include the registered prefix/suffix of the keeper. A stallion service certificate must accompany the form unless the stallion is owned by the breeder. Registrations must be received by **30th November** to guarantee entry in that year's Stud Book (Legislation requires that foals must be registered in the year of their birth or within six months of their foaling date.)
