#### **Schedule**

Please ensure that your schedule states, "**ponies must be registered in the full body of the Highland Pony Society Stud Book (including appendices A, B & C). All competing Highland pony stallions (In Hand, Ridden, WHP etc) aged 4yrs and over must be licensed with the Highland Pony Society**".

#### **Judges**

In classes confined to registered Highland ponies, judges must be selected from this HPS list. For shows in which Highland ponies compete in mixed breed classes only, there is no requirement to have an HPS listed judge. However, if only one class is restricted to Highland ponies, the judge may be chosen from the NPS Mixed M&M Panel. Please refer to the notes at the start of each Judges' List. Ridden Panel Judges must not be selected to judge In-Hand classes. At small local shows, in hand judges may be used to judge ridden classes and, if possible, a capable rider should be provided.

#### **Probationer Judges**

If your show has classes restricted to Highland ponies, we would appreciate it if probationary judges can join your judge. Probationing is a vital part of training to help new judges understand all the implications of judging, alongside an experienced judge. We will let you know if a probationer judge is allocated to your show and their name and contact details.

#### **General Data Protection Regulation**

In order to comply with the GDPR requirements will you please give your consent to the HPS to process and store as necessary your name, address, telephone and e-mail details in order to affiliate your show with the HPS, and to permit the HPS to contact you by e-mail, telephone or by letter as necessary.

*I give my consent for and on behalf of the above named show for the Highland Pony Society to hold the necessary data and allow it to contact the show organisers as required and that I agree to the above conditions.*
